HISTORICAL TRACKING OF CHANGES MADE TO POLICY

Date	Notes/Changes
------	---------------

5/15/2018	1. Medication policy created.
-----------	-------------------------------

DISCLAIMER: Medication Policies are developed to help ensure safe, effective and appropriate use of selected medications. They offer a guide to coverage and are not intended to dictate to providers how to practice medicine. Refer to Plan for individual adoption of specific Medication Policies. Providers are expected to exercise their medical judgement in providing the most appropriate care for their patients.
